**International Institute of Advanced Agriculture Skill Development (IIAASD)** is the first of its kind institute which is providing one stop solutions for the commercial cultivation of medicinal and aromatic plants and organic farming from training to marketing and processing. We are a source of knowledge and information in field of organic farming practices, medicinal and aromatic crop cultivation and horticulture farming, till date we have trained 10,000 farmers from all across the India to become entrepreneurs as well as 40,000 farmers who have got training from our institute to become economically independent.

Since 1996, we are providing this unique kind of services to the nation, our aim is to provide low- cost farming practices knowledge by reducing agriculture input cost and in return farmer should get high quality output and in return they could get high value for their products.

With this vision and mission, we started International Institute of Advance Agriculture Skill Development in year 2010 for the betterment of Farmers and Agriculture in India. From starting we have overcome many milestones by providing better knowledge and good quality services to India. Farmers and Agri Entrepreneurs from all across the country are coming here for getting this precious & unique kind of knowledge and services.

Modern agriculture practices are increasingly turning out to be knowledge-based and hence gaining expertise in them is not an easy task for many of our rural farmers. Agriculture is an important part of our Indian economy and the demand for skilled professionals in this field is growing day by day. With this vision in mind institute devoted to providing certificate courses which will give:

- Better job prospect to students,
- Quality cultivation knowledge to the farmers,
- Provide earning information to Rural People and Village Women,
- Marketing knowledge to the Agri- Entrepreneurs,
- Better source of information to the Agri- Professionals etc.
